SILVERWATER | SAUVIGNON BLANC 2021

SILVERWATER

In the heart of the Breede River Valley, surrounded by mountains and resting on the river banks lies an area where the South African terroir and climate is just right for the perfect Sauvignon Blanc. As the sun reflects on the cobbling river after a long cold winter, Silverwater is created. An image that mirrors the vibrancy, freshness and ever lingering taste of this wine.

Tasting Notes:

This refreshingly crisp Sauvignon Blanc has aromas and flavours of green fig and citrus fruits with a hint of lemon grass. Enjoy this fruit friendly wine with most seafood dishes, shellfish, smoked salmon, pasta, chicken, or summer dishes.

PH: 3.46

Acidity: 6.2 g/L
