## VAN ZIJL | CABERNET SAUVIGNON , MERLOT, SHIRAZ 2018

### LIVE AND LET LIVE

The Van Zijls range of signature wines pays homage to a proud heritage and rich family tradition. In the true spirit of this tradition father and son takes hands to craft a blend that speaks of the quality that the Van Zijl family stands for. A fine wine that captures the essence of family, legacy and craftsmanship.

The Reserve Blue Ink range resembles the royalty of signing your name in Blue Ink in the olden days and speaks to the robust & dark tannin-richness of the wine making the wine colour so dense that it almost portrayed as Ink in a glass.

### Tasting Notes:

A dark fruit driven wine with hints of black current and red berries. Maturation in French oak leads to a smoky finish.
